

## Sharp rise in Multi-family construction

March 9, 2010 | [Winnipeg Free Press](#)

Developers of apartments and other multi-family housing are off to their fastest start in more than 20 years, according to new figures issued Monday. Canada Mortgage and Housing Corp. said there were 283 multi-family housing starts in the Winnipeg area during the first two months of this year. That's more than double the 92 recorded during the same period in recession-plagued 2009. For full story, click [here](#).
